

POWER in your hands

GBS Elettronica srl - Via delle Valli, snc - 04011 - Aprilia (LT) - Italy
+39.06.7236734 - fax +39.06.7233098 - www.gbs-elettronica.it

- Universal PC programmable remote controls
- Over **4.000** brands and over **200.000** models.
- Over **500** new models added every week.

made for you
Elegant

DUAL SYSTEM programming can program the remotes through IR programmer or a common 3,5mm Jack audio cable using the audio output of the device equipped with 3,5mm headphones socket (PC, Smartphone, Tablet, ...) so there will be no problems with any operating system (Windows, iOS, Android, Linux, ...).
